Due to the large scale of the tournament, games being spread across multiple arenas, and demand for photos, **we will not be photographing games unless photos are pre-ordered and pre-paid.**

Because of this we will not be able to offer the option to purchase photos after games are played.

However, you are able to pre-order and pre-pay for photos throughout the tournament for upcoming games.

Here are all the great options for parents and/or teams to pre-order action photos.

Whole Game Coverage of all games - Minimum 800 Action shots.

Multiple images of all players(Including both goalies).

Or you can send an e-transfer to info@captureitmedia.ca, if you send an e-transfer please add taxes, and also send us an email confirming the Team and/or player name, as well as the division(ex. U9) and any other relevant details.

We would appreciate if Team Managers and Coaches can forward this information to the parents, so they are aware that they won't have the option to purchase after, this way they can order in advance if they are interested.

If anyone has any questions or would like to discuss options, they can send us an email to info@captureitmedia.ca with as much detail as possible and we'll get back to you right away.
